[6] Education and Research (ED)

[9] Number of activities organized by student organizations related to sustainability per year

Budding Hopes Project (by Sustainable Development Society) Stationery supplies were delivered to village schools in Siverek, Şanlıurfa, and a library was established in one of the schools by Gebze Technical Students.

Global Sustainability Summit (by Sustainable Development Society). In order to instill sustainable awareness in students, the subject of sustainability has been discussed in many areas by expert educators and businesspeople.

Dependent on freedom (by Sustainable Development Society). In order to raise awareness and foster consciousness about combating addiction, non-governmental organizations and narcotics division personnel conveyed the harms of tobacco products, alcohol, and drugs to students.

Sustainable cybersecurity (by Sustainable Development Society). We discussed how cybersecurity in e-commerce, digital transformation, e-sports, and banking sectors can be sustainable. We listened to experts who shared sustainable cybersecurity practices implemented in these fields.
