

## Template for Evidence(s) UI GreenMetric Questionnaire

University : Gebze Technical University  
Country : Türkiye  
Web Address : www.gtu.edu.tr

### [1] Setting and Infrastructure (SI)

**[1.23] Conservation: plant, animal, and wildlife, genetic resources for food and agriculture secured in either medium or long-term conservation facilities**

--	--

1-species of birds (Gebze Technical University)

2-species of butterflies (Gebze Technical University)

3- Olive Trees of GTU campus site

A sleepy dog in GTU

5

A cat in GTU

6

A turtle in GTU

7

The other dogs in the campus life-1

8

The other dogs in the campus life-2

9

Dog Kennel in GTU

10

The other dog kennels in various part of the campus

11

A feeding trough in GTU

**Example of conservation: plant, animal, and wildlife, genetic resources for food and agriculture secured in either  
conservation facilities on GTU**

**Description:**

- 1-2. The bird and butterfly species found on campus are identified and boards showing these species are placed on the Campus.
3. There are olive tree fields on the campus, and olives are harvested each year, sometimes festivals are organized and the olives are used for olive oil production.
- 4-5-6-7-8. We are leading a nature-friendly sustainable life on our green campus with our animal friends. You can see examples like dogs, cats, and turtles in their natural habitat.
- 9-10-11. Feeding areas have been created 15 different spots for stay animals, are these areas actively used thanks to the interest of both students and staff
