[5] Transportation (TR)

[5.15] Number of Transportation Initiatives to Decrease Private Vehicles on Campus

1

Bus from city to campus

2

Free shuttle

3

Railway station in GTU and railway maps

4

Free rent bicycle and bicycle road in GTU

Ride Shareing (Martı Tag)

**Number of Transportation Initiatives to Decrease Private Vehicles on Campus
(Gebze Technical University, Turkiye)**

Description:

- A. Bus services from the city to the university.
- B. Railway service from İstanbul to the university.
- C. Free to Shuttle/bus campus inside campus. Also we use the electric car for transportation.
- D. Free to rent bicycle on campus
- E. Ride sharing

GTU academic, administrative staff, and students can reach the campus in by 5 different ways listed above. In this way, the number of arrivals to the campus by private vehicle is reduced.

- 1) Sample image of buses provided by Kocaeli Municipality to reach the campus from Kocaeli city center (İzmit) and other districts. These buses come to the bus stop in front of the entrance gate of the campus.
- 2) Academic and administrative staff can travel to the campus from Kocaeli city center (İzmit) and other districts with free shuttles using the designated route close to their homes. In addition, students and staff can benefit from free on-campus transportation with the electric vehicle in the visual.
- 3) GTU's staff, students, and guests have the opportunity to reach the campus with Marmaray (train). The route of the Marmaray line is shown in the picture. Marmaray even passes through the campus and has a station in the campus. Thanks to the wide road route of Marmaray, transportation to the campus from various parts of Istanbul is easy and comfortable.
- 4) GTU's academic, administrative staff, and students can use bicycles free of charge. The route of the bicycle path is also included in this image.
- 5) GTU's academic, administrative staff and students can travel to and from the campus together using the Turkish-made ride sharing application (Martı Tag). This reduces the number of private vehicles coming to the campus.
